### 黃淑祺 Alice 外文系 / 碩四

你好！我叫黃淑祺，是台大外文所的碩士生。很高興能夠擔任英語小聚帶領人一職，並成為椰林精英計畫的一份子。該次是我第二次擔任帶領人，希望能夠展現更加精進的帶領及主持技巧，並讓更多同學對雙語教育中心所辦理的活動有所認識！

Greetings! My name is Alice, and I am a Master's student in the Department of Foreign Languages and Literatures. I'm so glad to be able to take part in English Corner again, as last semester was indeed an enjoyable experience. Besides being an English Corner facilitator, I've also worked as a teaching assistant in my department for several semesters, in which I particularly enjoyed interacting with students and exchanging ideas. I'm passionate about a wide range of topics related to literature; to be more specific, I am especially fond of Victorian Literature, Children's Literature, and old movies. I reckon that connecting and comparing works from past eras with our contemporary society is a fascinating attempt.

Hi, I am Alice. I am now a senior in the Department of Foreign Languages and Literatures. I was a member of the Department of International Affairs of NTUSA during my freshman and sophomore years. My name is Winifer, currently a junior in the Department of Foreign Languages and Literature. I really enjoy my life in our department, where we learn different languages, linguistics, and various fields of foreign literature. They have actually become a very important part of my life. As for my expectations for this job, in general, I hope to teach and learn at the same time. I am very willing to share my English learning experience with everyone and maybe give a hand when others need a little assistance. I believe that I can also revise and examine myself and my skills through teaching. Moreover, I hope to accumulate various experiences in preparing or organizing an activity or a meeting.

My name is Sandy Hsieh, one of the facilitators this time. Last semester, I facilitated three of the English Corner sessions. During those sessions, I was deeply touched by the strong enthusiasm and vigorous vibe, which provoked my passion even more for this fruitful activity. To me, English Corner creates a fantastic opportunity for us to say and do whatever we want. Here, we are free from the constraint of grades and tests and can immerse ourselves in this joyful environment. This time, I decided to join English Corner again, and I hope my passion can contribute to the participants and the activity.

## 梁東謀 Morris

Hello there! I'm Morris Liang, a junior from DFLL. I grew up loving to learn new languages and meet new people all across the globe! Now I'm still striving to expand my "language repertoire." However, I consider myself more of a "Jack of all trades" than a polyglot. But that also means I have just the thing you need, and I truly believe we can learn a lot from each other! I love to listen to JPOP and play video games. And I also enjoy going around telling people lame jokes, though my sheep don't like them very much. See you around!

## 鄭哲霖 Nick

化學系 / 大三

一個讀化學系的大學生,但從小就跟寫作和語言學習很有緣。乍看之下,你會覺得我就是個中年大叔,但我真的只有 21 歲。嗜好有踢踏舞、歌唱和慢跑,但請不要叫我唱比 f2 更高的音。我是個男中音,抱歉。對了,我叫 Nick。嗨。

I'm an undergraduate that studies chemistry but so much attached to language learning and creative writing since childhood. At first glance, you might think of just an old guy coming by, as all of my friends have the same thoughts as well, but I am still 21.

I've tried some physical activities throughout my teenage years, and it seems what has left are tap dance, singing, and jogging. I need to mention that by singing, I mean for those songs whose notes are below f2. I was a baritone in the chorus club, so please.

By the way, you can call me Nick.

## 曹孟芩Emily

日文系 / 大三

大家好，我是孟芩。大學期間受到的哲學訓練讓我認識到討論是很重要的，因為透過討論才能夠讓人們對一個議題的認識更加全面，並且學習表述自己的觀點。我個人喜好具爭議性的議題討論，特別是當這個爭議牽涉到我的自我認同的時候，因此，身為精神疾病患者、性別暴力受害者和堅定的御宅族，我相信我有很多可以分享的，也希望可以聽到多元的意見。

Hi, this is Emily. The philosophical training that I received taught me the importance of discussions. It leads us to understand the issue more thoroughly and helps us express ourselves more clearly. Personally, I enjoy controversial debates, especially when it is related to how I identify myself. For instance, I did a report on how and why some people are not qualified as Otaku even though they thought they do. As a patient with mental illnesses, a victim of sexual violence, and a devoted Otaku, I believe I have a lot to share and look forward to different opinions.

## 宋沛潔 Sabrina

政治系 / 大二

沛潔是一個熱愛運動、喜歡探險、挑戰自己、deep talk的女孩。挑戰使她對生活充滿期待，也在過程中習得許多。高中時獲選為環境會議的青年代表赴以色列交流，和今年作為青年大使的經驗，加深了她對世界好奇。大一下商業競賽的經驗更讓她探索自己，並在今年轉到國企係。如果你也是愛探險、挑戰自己的人，歡迎來跟她一起分享人生中的故事吧！

Sabrina is an athletic girl who loves deep talk and enjoys taking challenges to explore herself. The challenges make her life colorful and make her become a better person at the same time. The experience of representing Taiwan to Israel at an environmental conference and being an International Youth Ambassador this year not only broadened her horizons but also triggered her to experience more cultural differences and to see what's the world like.
